Globo Terrestre

Producto nº

619

The Desk Globe, in raised relief and with its cradled mounting, is an updated replica of one 150 years old. The full, numbered, die-cast meridian has an antique finish and rests in the frame where it can rotate and be easily adjusted. Its convenient size of 17" x 17" is ideal for many desks and table tops and is easily moved.

Available in Mahogany or Cherry.

Vieja América

Producto nº

647

Over three dozen plans for making entertaining novelties. Some from the Old World, others from Early America. The wind-up carousel includes patterns for circus animals or dinosaurs. There are unusual wood tops, a classic referee whistle, a four note whistle and a locomotive whistle. A tumbling clown, climbing animals, a Jacob's ladder and a smoke grinder. As an extra we've added our original design for a launching device that spins a propeller skyward while releasing a wooden top spinning to the ground. Sixteen wood Christmas ornaments are included with painting instructions for each.
